

# Winchester based dance charity Move Momentum running FREE Easter Street Dance Workshops

**March 2022-** Local Winchester dance charity [Move Momentum](#) are excited to announce they will be hosting two FREE workshops for young people aged 11-16 over the Easter Holidays.

The charity will be running an exclusive Boys Only Workshop, aiming to encourage more young boys to try out dancing, break the stigma around boys and dance, and see how much fun it can be! This workshop will be held during the first week of the holidays, Wednesday 13th April 5:30pm - 7pm. The workshop will be facilitated by Jimmy Allan, a young and upcoming choreographer, teacher and dancer who works with renowned dance company Boy Blue Entertainment. At just 18 years of age, Jimmy has done lots of dance jobs for stage, video and television and is constantly looking for the next project. Jimmy is looking forward to teaching this workshop and inspiring the next generation of young male dancers.

During the second week of the Easter holidays, Move Momentum will be hosting a fun Tik Tok Dance Workshop. The social media platform, Tik Tok, is very popular, with young people always keeping up with current dance trends. This workshop is ideal to hang out with friends, learn new trends and even be creative by creating your own. This workshop will be facilitated by Ella Greenfield, Ella is 17 years old and has been dancing since the age of 13. She has spent many years competing at national street dance competitions such as UDO (United Dance Organisation) and So You Want To Dance. Ella has recently become a member of London-based dance company, LXD UK, and will soon be moving to Copenhagen to continue her professional training with renowned choreographers such as Brian Friedman.

Both workshops will be held at local community venue, Unit 12 CIC. The hour and a half workshops will allow plenty of time for socialising, chatting, and dancing, bringing the youth community together over the two week break.

Places for each workshop are limited, and are FREE to book through Eventbrite:
